PROFESSIONAL PROFILE

I am a graduate from the University of Limerick. I have experience working with several programming languages including C++ & Java. Having worked several different jobs, I have developed skills such as workplace communication, organization, Teamwork & Time management. I am eager to develop my skills and would bring a friendly and hardworking attitude to the workplace.

WORK EXPERIENCE

IT services department Intern

University of Limerick / 10/01/22 - 02/09/22

The IT services department in UL provides technical support for the staff & students at the University. As a member of the help desk my work was as follows.

- Help staff & students with troubleshooting and technical issues.
- Setup new PCs & Laptops for staff members.
- Help maintain the Projectors & PCs in lecture theatres and classrooms.
- Managed Outlook & 365 accounts
- Worked with Active Directory and Remote connection software.

Line Worker

McDonalds / 2018 - 2021

As a crew member in McDonalds, I had several different responsibilities, these included:

- Make customers' orders, ensuring that the food is made in a timely manner and is up to the expected standards.
- Taking customers' orders and ensuring that they feel welcomed in the restaurant.
- Clean and maintain the equipment in the restaurant, to ensure that we adhere to hygiene and safety standards.
- Work as part of a team to keep up with high customer demand during rush hours. This involved constant communication between different stations and jumping in to help others who were potentially struggling.

For reference, please contact Surajsingh Donookdharee at the following number: 043 33 50737

Packaging Worker

Pat The Bakers / 2017 - 2018

Working in the packaging section involved various responsibilities.

- Package the bread as it came out of the oven and prepare it for shipment to various warehouses across the country.
- Maintain the packaging machinery.
